A quieter time in the church provides us with a good opportunity to take stock and plan ahead. Let's begin by pulling together a team of young people to train as Altar Servers in both of our churches. I know we have some very keen and capable young people in our congregations. If you are interested, (Year 5 children and teenagers upwards) please put your parents in the picture and from there, let me know of your interest.

Tynemouth Priory Partnership Open Meeting.
Thursday 13th June 7pm at St Thomas More High school.
We would really like you to join us - your presence
(or absence) plays a role in shaping our future!

Next Sunday is World Communications Day when Pope Francis invites us to reflect on "the importance of our 'being in relation' and to rediscover, the desire of the human person who does not want to be left isolated and alone." There will be a retiring collection to support the work of the Communication Office of the Catholic Bishops' Conference

Please continue your generous support for the Food Bank. One item a week from each family would make a huge difference to the lives of many!
